# Introduction

Vauxhall's wide range of models already offers outstanding levels of refinement, flexibility and style, while our expanding range of ecoFLEX models combines excellent fuel economy with ever-lower emissions.

Of course like all of our models, ecoFLEX models offer outstanding value for money too. Astra hatchback SRi 2.0CDTi 16v (165PS) ecoFLEX, for example, features our latest Start/Stop technology and is available with an Advance Payment of just £149.

Insignia remains incredibly popular, and you can get an SRi 2.0CDTi 16v (160PS) 5-door hatchback for just £649 Advance Payment. For just £100 more it's available with satellite navigation.

And now we've got more fantastic deals for you too.

- Many models available from nil Advance Payment
- Parking sensors on all models – free of charge!
- Metallic/pearlescent and brilliant paint on all models – free of charge!

So you see, there's never been a better time to get into a new Vauxhall.

As a founder member of the Motability Scheme Vauxhall is a major supplier of vehicles to disabled drivers and their families. Our Motability New Car Contract Hire Scheme lets you drive a brand new Vauxhall in exchange for all or part of the Higher Rate Mobility Component of the Disability Living Allowance or War Pensioners' Mobility Supplement. Your nearest Motability-approved Vauxhall retailer will be glad to advise you on the option that's right for you.

*Model illustrated features optional VXR Styling Pack, Adaptive Forward Lighting and 20-inch alloy wheels.*

## DLA and WPMS advance payments by model
